

CAZENOVIA AREA VOLUNTEER AMBULANCE CORPS

July 2019

Welcome Crafters:

The volunteers of CAVAC welcome you and thank-you for your support over the years. To those of you who are doing the fair for the first time, we hope your weekend is a pleasant and successful one.

As in the past, we will have people on the field to assist you. Our volunteers will assist with booth sitting or picking up refreshments at the food tent. Sanitary facilities are located on the grounds.

We will provide coffee and donuts (as long as supplies last) at the CAVAC tent beginning at 7am both Saturday and Sunday.

Some important points concerning our fair:

- One name tag is included in your packet. If you need another for someone working with you, please visit the Information Table.
- If you have a dog with you, **PLEASE** remember they **MUST** be on a leash **AT ALL TIMES**. This is NYS Parks regulation.
- Remember you must have your NYS Sales Tax Certificate posted in a prominent spot.
- There is no smoking in the Fair around the tents – smoking is allowed in the parking area.
- Please remember to be courteous and considerate of the other Crafters when unloading/loading. Leave room for others to pass in driving areas. You need to unload quickly and remove your vehicle to the parking area as soon as possible. **NO VEHICLES WILL BE ALLOWED ON THE FIELD AFTER 9:30AM ON SATURDAY. NO VEHICLE MAY ENTER THE FIELD BEFORE 5PM on SATURDAY OR 4PM ON SUNDAY.** Vehicles are not allowed on the show site for any reason during show hours. The park closes at dusk.

CAVAC support will be on the field at all times during the fair hours. Assistance will be available at the CAVAC Tent near the Food Court or flag down a volunteer on a golf cart if you have a problem or need help. We are hopeful the weather will be wonderful and that you enjoy the weekend.

Thanks for joining us.

Kerstin McKay and Gail Eberl
Co-Crafts Chairpersons
